EXPERIENCE

The Iron Yard | Atlanta, GA

Aug - Oct 2016

The Iron Yard is a 12-week coding bootcamp specializing in highly focused, immersive training centered on language fluency, object-oriented programming, and project-based learning.

- Developed Community, an invitation-based social networking application written in Swift 3.0, designed for community organizations such as professional groups, churches, and civic organizations. Integrated with Java backend using postgres database; code at: <https://github.com/TIYCodeZero/CommunityAppiOS>
- Developed BookList, an app that downloads listing information from an API and displays it in a table view; code at: <https://github.com/Galapagos08/BookList>

Manhattan Associates, Inc. | Atlanta, GA

2012 - 2016

Assistant Corporate Counsel

Manhattan Associates builds technology solutions that solve complex supply chain, inventory, and omnichannel business problems.

- Advised the company on issues including software licensing, intellectual property, technical consulting, privacy, cybersecurity, and corporate governance
- Managed policy implementation and corporate compliance issues

Counsel On Call | Atlanta, GA

2004 - 2005 and 2010 - 2012

Contract Attorney

Represented clients in e-discovery projects involving patent infringement, antitrust, class actions, commercial disputes, responses to Department of Justice Civil Investigative Demands, and non-party subpoena responses

Fields Howell Athans & McLaughlin | Atlanta, GA

2005 - 2007

Associate Attorney

Represented clients in professional liability and insurance coverage litigation involving lawyers, architects, insurance agents and brokers, real estate professionals, and data technology companies
